## PROFESSIONAL SUPPORT SERVICES

Frequently, business needs are too critical and the time to develop skilled resources is not available. Experienced, professional help is required, immediately, to solve critical business issues and accelerate business benefits.

### “In this case.....One Plus One Equals Three”

Our hands-on approach is focused on swift improvements to your business by providing the most experienced and qualified people to accomplish the task. The result is accelerated planning, execution, and business benefits.

AIT Group has developed its Professional Support Services team to address demanding business situations. Our approach teams highly capable and experienced AIT Group professionals with your internal Process Owner and your Change Agent or Subject Matter Expert (SME).

The AIT Group uses our Collaborative “Triad” approach to ensure buy-in and sustainability, delivering business benefits fast.

**Our method leverages a team's composition, developing an integrated solution to:**

- design and implementation,
- linkage of strategic, tactical, and operational issues, and
- overall program management to drive accelerated business benefits.

## AIT Group Services

**COMPETITIVE STRATEGY & INNOVATION**

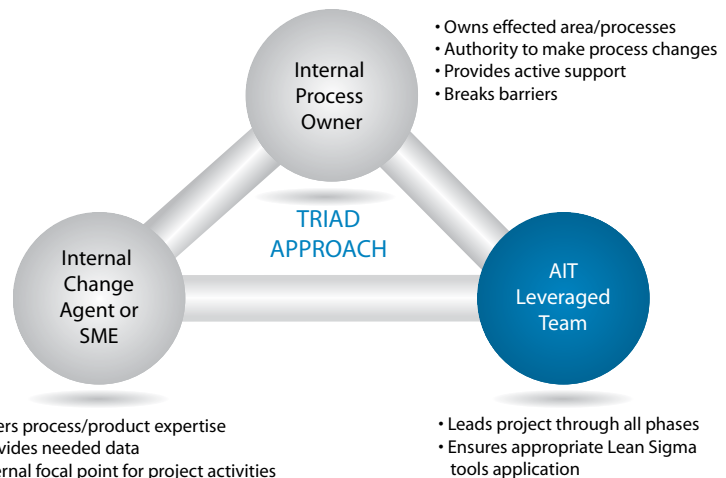

**VALUE & OPPORTUNITY IDENTIFICATION**

**VALUE CHAIN TRANSFORMATION**

**LEAN SIX SIGMA & DFSS DEPLOYMENT**

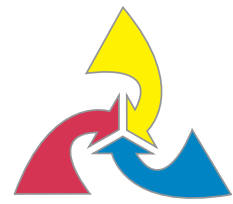

What experience and skills can we provide? AIT Group has organized a broad group of highly experienced specialists, across a variety of disciplines that can be targeted at your specific needs. Some representative areas of expertise include:

- Sales, Inventory, and Operations Planning (SIOP)
- Distribution Network Analysis
- Transportation and Logistics
- Integrated Process Reengineering and ERP Software Reconfiguration
- Manufacturing Execution
